San Jacinto St, Paombong, Bulacan

Dear Mr. Sanny Ascan,

Please accept this letter as my formal resignation from my position as a Food Handler at Andok's effective today.

After much consideration, I have decided to step away from my role at this time to focus full-time on caring for my child. This was not an easy decision, but it is the right one for my family at this stage.

I appreciate the opportunities for growth and development you have provided during my tenure. Thank you for your guidance and support.

Wishing you and the company the very best going forward.

Sincerely,

Renier Jay Barlongo
